700 Signature Edition

Das Hochglanz Gehäuse in Datuk Furnier beeindruckt als erstes. Die gegenüber dem Standard Modell aufgewertete Technik bringt die beiden 700 Signature Modelle klanglich und optisch in eine Position zwischen den Serien 700 und 800.

700 Signature Edition

Le boîtier brillant en plaquage Datuk est le plus remarquable. La technologie améliorée par rapport au modèle standard place les deux modèles 700 Signature dans une position qui les place entre les séries 700 et 800 en termes de son et de look.
